SUMMARY

I am a skilled DevOps Engineer with extensive knowledge in cloud platforms (AWS, Oracle Cloud Infrastructure, Google cloud platform), cloud infrastructure, operating systems, and scripting and Containerization & Orchestration (CKA,CKAD,Terraform) , Automation (Iac) .

SKILLS & EXPERTISE

CI/CD Pipeline Management:

- Built and maintained CI/CD pipelines for automated deployment.
- Utilized Jenkins for building and testing source code.
- Implemented Azure DevOps for streamlined project management.
- Built GitLab CI/CD pipelines using .gitlab-ci.yml and configured GitLab Runners to automate builds, tests, and deployments

Cloud Infrastructure:

- Designed and maintained cloud-based projects across Oracle Cloud and AWS and GCP .
- Leveraged infrastructure as code tools like Terraform and Ansible for deployment automation
- Utilized Terraform modules across projects for modular and reusable infrastructure design, ensuring efficient resource management and scalability

Containerization & Orchestration:

- Proficient in Docker and Kubernetes.
- Implemented Kustomize to create reusable Kubernetes templates that can be consistently applied across all environments (development, pre production, production), ensuring uniformity, reducing configuration errors, and streamlining deployment.

Backup and Recovery Solutions:

- Installed and configured Veeam Backup and Replication on virtual machines.

Database Management:

- Maintained PostgreSQL databases, ensuring data integrity and availability.
- Configured Patroni for PostgreSQL high availability in production environments.

EXPERIENCE

Humain | Riyadh, SA

Sr Devops Engineer – present

SAUDI COMPANY ARTIFICIAL INTELLIGENCE (SCAI)| Riyadh, SA

Devops Engineer – 1-4-2023 - 1-5-2025

CERTIFICATE

- Devops Engineer | Saudi digital academy
- Certified Kubernetes Administrator and Application Developer (CKA,CKAD) .
- Devops Engineer Foundation | Devops university
- Terraform Associate (HCTA0-003)

EDUCATION

SHAQRA UNIVERSITY – **Bachelor of Computer Science** *First class Honors with GPA : 4.95*
